

GRADE RULES

REDWOOD STANDARD SPECIFICATIONS

Keep it straight! The 2000 edition of the *Standard Specifications for Grades of California Redwood Lumber* is your guide to everything redwood. Choose the pocket-sized booklet for the field and get the electronic version on CD for your office computer. The extensive index is fully linked to text, which makes it easy to find the answers to all of your specification questions. Published by the Redwood Inspection Service, these rules are accredited by the American Lumber Standard Committee, Inc., Board of Review.
